For purposes of indicating condition of material, other than work in process, the code in the following block should be used. It requires the combination of a letter and a number in each instance (as E4 or N2). Use the letter "X" without a number, for material considered to have no further value for use as originally intended, but of possible salvage value other than as scrap.

CORR: N - New
X - Used-reconditioned
O - Used-unable without repairs
R - Used-repairs required

1 - Excellent
2 - Good
3 - Fair
4 - Poor

See reverse side for instructions and Certificate which must be executed before this form is submitted.
